

The Chairman's Report

During the year (1st April 2009 to 31st March 2010) the BOARD of TRUSTEES of the READUCATE TRUST met regularly and carefully watched the transactions of the TRUST in terms of the constitution.

I would like to thank:

the TRUSTEES for attending BOARD meetings;
pro bono professionals for giving of their time and talents;
donors for generously making monetary contributions to the TRUST;
donors for making contributions in kind to the TRUST;
people and organizations associated with the TRUST.

During the year funds were received from 4 donors to the amount of R334,110.

18 people won scholarships to be (and were) trained in the READUCATE English literacy instruction technique (15 at a school in Alexandra and 3 at the home base in Germiston).

There were also 11 refresher courses (sponsored by the TRUST), for people previously trained in the READUCATE technique.
