Hi Everybody,

**Elliot** thanks for the pics especially no 058 with the **RED** ski team. Peter please don't forget your **RED** ski jacket for next year.

Talking about next year (2010), I am planning to take my daughter and grand-daughter to La Plagne during week commencing 14 February, being the UK mid-term school break. They are both beginners although my daughter did ski with me in Serre Chevelier for a week some years ago.

**Proposition #1** - To save me flying back to La Plagne and spending two weeks in London would it be possible for the team to ski their Week 1 from 24/1 – 31/1 and Week 2 from 31/1 – 7/2, in other words ONE week later than usual?

**Proposition #2** - First prize for me would be two weeks later than usual being Week 1 from 31/1 – 7/2 and Week 2 from 7/2 – 14/2 so that I do not return to London at all for my Week 2. I suspect that the latter week may carry a big price premium which would be unacceptable to all including me.

Would Proposition #1 be possible for anybody? Please let me have your thoughts assuming NO price premium which I will try to negotiate? If this timing is not possible I would certainly understand and there would be no hard feelings!! Later in February traditionally has better snow conditions!!

**Peter** please forward this to your brother Mike since I do not have his e-mail address (I think that you did send it to me but I cannot find it?) Thanks.

**Mike K, Paul, Gavin, Alan & Judy**, we all missed you guys this year!! (See two team pictures attached for you.) Will you all be with us in 2010?

Best regards to everybody. I look forward to hearing from all of you.

Terry

Hi Guys

A few photos.

Those of the group are self explanatory.

The mountain shots were taken on the day when the visibility on leaving the hotel was atrocious - very low cloud and flat light - but, when nearly at the top of the lift it cleared and turned out to be a great day's skiing.

Cheers

Elliot
